Next Wednesday, 5th March is Ash Wednesday the beginning of the Lenten season. Mass for the children and parishioners will be at 9:15am. What is the point of Lent? For Christians, it is the time when we try to trim away some inessentials, and return to and refresh the things that are at the real centre of our lives.

What are the things that really matter? What sort of person am I – and what sort of person do I want to be?

So, we try to find a little more time to be still, to wait quietly. We try to let go of some of the less important things. We "give something up". We reach out to those in need, and in doing so we discover something of our own brokenness and need to be forgiven.

By making things a little simpler, a little less cluttered, we are able to see more clearly the things that are important. Love, justice, forgiveness, prayer, our family, our relationships our attitude. Let us all take some time to reflect on what is truly important to us as we approach EASTER

On Thursday 6th March an Education Mass for all teachers in the diocese will be celebrated after school at St Patricks at Blacktown. This is a highlight of the year for the teachers in the diocese as this is the time we all get the chance to come together. It is a great experience attending this celebration seeing so many people committed to the growth and development of children in our diocese

Kinder Enrolment 2015-In Catholic Schools Week we begin the enrolment process for our Kinder classes for 2015. It is important that if you have a child beginning school next year to collect an enrolment form as soon as possible. Our families are the best source of advertising for our school. If you know of any families seeking a Catholic education for their children it is time for them to come and collect enrolment forms. It is important for all of us that our facilities are fully utilised and your recommendation would certainly assist us in ensuring that this occurs. For us to continue to grow and prosper as a school it is important that we fully utilise our facilities.

Our P/F Meeting last week was well attended with about fifty parents attending which I thought was a great turn out and reflects the interest you have in the school and the need for you to understand what we are trying to achieve for your children. A big thank you goes to last year's committee for their hard work in assisting the school with the purchase of resources. Congratulations to the following people who were elected as committee members for 2014.

President- Denise Sessa

Vice President- Diana Watts

Secretary- Rosa Dos Santos

Publicity Officer- Lynette Menouhos

Parent Representative- Priscilla Pickering

At last night's meeting I spoke to parents about successful schools and their qualities. There are three key principles and four key elements

3 Principles: Student Need/Voice/Leadership- Purposeful/Explicit – Teamwork

Key Elements: Maximise Instructional time – High expectations – Prioritised curriculum- consistent practice

These are the things that I would like us to work towards improving to make our school the best place it can be. I also explained to parents that it is important that we work together in the best interests of the children and that if there were any concerns that it is important that you come and discuss them with me. Once again I would like to thank all those who were able to attend, it is very much appreciated.

Kind Regards
Michael Tonnet
