

Parents and Friends

Well here we are with the last P&F newsletter for the Term , I promised you something different this week so what I have done is take a small poll from some community members of frequently asked Questions regarding the P&F . I Think this may be useful to most parents as a lot of the time Questions go unspoken.

1. **Can anyone get involved in the P&F?** – Yes all Parents , grandparents and friends of St Andrews Children are welcome to join the P&F
2. **How much time do I have to give to the P&F?** – Depending on the role you want within the P&F you can give as much or as little time as you have available, as we are all busy parents within the team we all understand the time restraints
3. **Am I really needed?** – yes all contributions are welcomed and needed, for the most part it's the same parents giving up their time every time and many hands make light work
4. **Is it Fun** – yes of course, to be around other like minded parents brainstorming ideas – Hint (I heard some of the parents dressed up in Superhero costumes to help with some creativity, ok that may have been me .)
5. **What's the next activity I can get involved in?** - Great question, well currently Pauline is looking for Volunteers for the Mothers day Stall on the 5Th and 6Th May , please feel free to contact her on 0412663649.

Thanks again for everyone who sent in a query and I hope we have covered most questions. Remember now is the time to get involved and join the team , say no to fence sitting..

Well this week we had the first of the Disco's , the Superhero themed Disco and from all reports it was an absolute success , feedback from the kindy class was " it was soooooooooo coooooooooool "

thanks to everyone who helped out and team leader Manisha for organising .

And finally the last 2 introductions for team leaders on the P&F team are below

Event : Infants Carnival BBQ
Team Leader: Thea Clements
Contact: 0414015819

Thea another busy mum who got involved with the P&F to keep up to date with what's happening in the school, as all parents know finding random notes in the bottom of the school bags that the kids are supposed to bring home. Well by joining the P&F it allowed Thea to be able to be more across what was happening

Thea has 2 children in year 1 & 2 and the eldest in year 7 , thanks again for everything you do Thea .

Event: Media
Team Leader: David & Katie McKibbins
Contact: 0416114431

Well last but not least is team Media, Katie and I joined the PNF 9 weeks ago to get involved in the school and to learn more about the community behind the school. With our little boy in Kindy we wanted to make sure we were doing all we could to support the School so he could get the most out of this precious time for him. Katie is the brains trust and structure in the team and I am the crazy big kid who just wants to tell stories and have fun.

Now that you have met the whole team for PNF 2016 , feel free to contact any member for updates or for a chance to help out next term .
