

St. Andrews Primary School

Newsletter Term 1 - Issue 3 *2nd March 2018*

From the Principal

Next week we celebrate Catholic Schools Week with some special activities throughout next week (Mon, 5th to 9th March). Catholic Schools Week provides us with the opportunity to show you some of the many great things that the children are doing here at school. This week we hope to strengthen the relationships between all those who have a stake in our schools. It would be great to see many parents and grandparents attending during the week's activities and supporting our work together here at St Andrews. The staff and your children really appreciate your attendance not only at these special celebrations but also your wonderful support throughout the year. It is a great privilege for me to have spent my career teaching in Catholic schools and being part of so many supportive and caring communities that is the real strength of Catholic education and not just the provision of an excellent education. All our Catholic schools try to encourage the children to take better care of each other by being more thoughtful and considerate to others. Your attendance at school celebrations and activities allows the children to see that there are many people around them who want to help so that they can become the best person that they can be. I encourage you to attend the learning sessions on Tuesday, Wednesday and Thursday commencing at 9:15am on each of these days, new parents are most welcome to attend.

Safety and Consideration- I would like to remind everyone about the importance of safety around the school. Your children's safety is very important to all of us so I ask that no cars enter the staff car park. I have also noticed a number of people walking through the car park and I ask that you please set the example to your children by using the footpath either outside or inside the staff car park to ensure that we don't have any accidents. Thank you for your consideration for both of these things.

Enrolment 2019- I would just like to remind everyone that we have begun the process of enrolment for the 2019 school year. If you have a child beginning school next year now is the time to come and collect an enrolment form to begin this process. We also have some vacancies in some grades so if you know of anyone who is interested in enrolment your support and encouragement of St Andrews is greatly appreciated.

Building Update- As you can see the old Year 5 demountables have been removed during the week. The removal will allow the ground works to continue. The middle gate access to the school will now be closed for a number of weeks due to this ongoing ground work. **Entry and exit from the school grounds must be through the gate adjacent to the school hall or the bottom gate near the administration office.**

Kind regards

Michael

Project compassion:

A Just Future starts with your support

Over the last two weeks many students have watched clips which outline the important work that is done by Caritas. The children were introduced to Rattanak and Bayan in these clips, here is a brief summary of their stories. Please click on each of the links below to watch the clips with your child/ren.

Rattanak in Cambodia contracted polio as a child and also became deaf. The Deaf Development Program, supported by Caritas Australia, helped him become a barber and he is now supporting himself, his wife and baby.

<http://www.caritas.org.au/projectcompassion/weekly-stories/week-2-rattanak>

Bayan is a 12 year old Syrian girl, living with her family in Jordan. An ambitious student, Bayan has her sights set on a career as an ophthalmologist. As a quiet, young refugee she struggled to overcome the trauma of growing up in a conflict zone and faced the prospect of missing out on schooling. With Caritas Australia's support, Bayan is an academic high-achiever who is flourishing in a stable school environment.

It's Road Rules Awareness Week!

This year's Road Rules Awareness Week, from 26 February to 4 March, provides all road users the opportunity to improve their knowledge of the NSW road rules. As part of the campaign, each year Transport NSW's Centre for Road Safety focuses on the most misunderstood road rules and provide road users an opportunity to have their questions answered.

The playlist of 10 animations explains some of the most misunderstood road rules.

EASTER RAFFLE

Easter Egg Raffle Donations

It's that time again for the Easter Egg Raffle. The P&F are asking for donations of either boxed Easter eggs or eggs that are already packaged to go towards being used as part of many prizes. Many single eggs are damaged in transit and once the foil/wrap has been torn and chocolate is exposed, we are unable to use them. The students can bring their donations to school and place them in a basket in the classroom. The more donations received the more prizes we will have for families to win.

Raffle Tickets – Do you want to win a prize?

Raffle tickets sheets have recently been sent home. We encourage families and people you know to purchase as many tickets as you can. It's a chance to win an Easter Raffle prize made up from the wonderful donations from families. **The ticket sheet consists of 10 raffle tickets costing \$1 each.** If you didn't receive and/or require extra ticket sheets, please obtain them from the school office, or a copy can be found in the school newsletter. The more tickets you buy the better chance you have of winning a prize. The money raised goes towards much needed resources for the school.

REMEMBER to write the contact details on each ticket, including the child's name and class so any prizes can be easily distributed should you be a winner.

Please return all tickets in an envelope with monies, and any Easter Egg donations, to the school no later than **Friday 23rd March 2018**. The raffle will be drawn on **Monday 26th March 2018**. (Please be aware of date changes. Extended an extra week then what was printed on the ticket note)

CAN YOU HELP?

If you have a couple of hours to spare and would like to help put together Easter Raffle Prizes, please contact Diana below or come along on the day.
